

PARIS SCHOOL OF ECONOMICS
ÉCOLE D'ÉCONOMIE DE PARIS

Workshop on “Advances in Mechanism Design”

July 12–13, 2012

Paris School of Economics
48 Boulevard Jourdan, 75014 Paris, France
Within the framework of the labex OSE

Thursday, July 12

10:00 - 10:45: **Tilman Borgers** (Michigan U):

“Robust Mechanism Design and Dominant Strategy Voting Rules”

10:45 - 11:30: **Takuro Yamashita** (TSE):

“A robustly revenue maximizing auction in admissible strategies”

Coffee Break

11:45 - 12:30: **Andy Postlewaite** (U Penn):

“Matching with Incomplete Information”

Lunch

14:00 - 14:45: **Onur Kesten** (Carnegie Mellon U):

“From Boston to Shanghai to Deferred Acceptance: Theory and Experiments on a family of assignment mechanisms”

14:45 - 15:30 : **Fuhito Kojima** (Stanford):

“Promoting School Competition Through School Choice: A Market Design Approach”

Coffee Break

16:00 - 16:45: **Lucie Ménager** (Paris 2):

“Communication in procurement”

16:45 - 17:30: **Laurent Lamy** (PSE):

“Equilibria in two-stage sequential second-price auctions with multi-unit demands”

Workshop on “Advances in Mechanism Design”

July 12–13, 2012

**Paris School of Economics
48 Boulevard Jourdan, 75014 Paris, France
Within the framework of the labex OSE**

Friday, July 13

09:15 - 10:00: **Yi-Chun Chen** (National University of Singapore):

“Genericity and Robustness of Full Surplus Extraction”

10:00 - 10:45: **Alia Gizatulina** (Max Planck Institute -- Bonn):

“On Designer’ Uncertainty and Robustness of the BDP Property”

Coffee Break

11:00 - 11:45: **Guillaume Haeringer** (Universitat Autònoma de Barcelona):

“Two-Sided Matching with One-Sided Preferences”

11:45 - 12:30: **Nicole Immorlica** (Northwestern):

“On the Limits of Black-Box Reductions in Mechanism Design”

Organizer: Olivier Tercieux (Paris School of Economics – CNRS)

If you wish to attend, please send a mail to lelievre@pse.ens.fr.

Please specify if you would like to attend the lunch on July, 12 and July, 13 (subject to limitation)
