

Alekhya VAVILALA

About me

Master's student in Economic Decision and Cost Benefit Analysis with experience in an international consulting company, looking for a 4-6 month internship in a strategy consulting firm.

Work experience

From Feb. 2018
to Jun. 2020

Analyst - Risk Consulting (Advisory) / KPMG Hyderabad, India

- Worked with KPMG-UK in cross-functionality with Tax Advisory and Financial Audit teams to identify and assess Automated Internal Financial Controls for internal audit.
- Conducted ISAE 3402 examination for a leading international bank and IT service provider, which included control testing in fraud risk management, fund transfers, global entitlement operations, global mass payment services, and transaction processing unit.
- Carried out ISO27001 gap assessment for a large fertilizer manufacturer. Performed risk mapping and assessment in areas of System acquisition, Compliance, and Information security aspects of business continuity management.

From Jun. 2016
to Aug. 2016

Financial Analyst Intern / Magnus Systems Harrisburg, United States

- Prepared monthly and quarterly budget forecasts for business users and the technical team.
- Created weekly revenue reporting dashboards with key performance indicators (KPIs).
- Presented findings from cost analysis and revenue reports to managers and c-suite executives, weekly.
- Partook in audit reporting and sample data collection for an external audit.

From Jun. 2015
to Aug. 2015

Financial Analyst Intern / Copart Dallas, United States

- Presented income statement performance to finance manager and CFO; assisted in the draft of Business Requirement Documents (BRDs).
- Participated in weekly budget analysis, focused on quarterly financial goals.
