

2nd EAYE workshop on Social Networks

Paris School of Economics

October 3 - 4, 2019

All sessions take place at room R2-21.

Thursday, October 3rd, 2019

8:30 - 9:00 Coffee & Registration - Main hall

9:00 - 10:00 Keynote Lecture 1: Sanjeev Goyal

Chair: Emily Tanimura

10:00 - 10:30 Coffee Break - Main hall

10:30 - 12:15 Session 1:

- Price Competition and Optimal Design in Buyer-Seller Networks , **George Charlson**
- Default and Coordination in financial networks , Nizar Allouch and **Maya Jalloul**
- Structural Interventions of Social Ties , Yang Sun , **Wei Zhao** and Junjie Zhou

12:15 - 13:30 Lunch - Main hall

13:30 - 15:15 Session 2:

- Best-response dynamics in directed network games , **Peter Bayer** and Gyorgy Kozics
- Union formation network spill-over games , **Mariam Nanumyan** and Simon Schopohl
- Rural Networks and Temporary Migration , **Vatsal Khandelwal**

15:15 - 16:00 Coffee Break & Poster session - Main hall

16:00 - 18:20 Session 3: Experiments & Collaboration networks

- Networks and Welfare Participation: Evidence from Chile , Pedro Carneiro, Barbara Flores, Emanuela Galasso, Rita Ginja, **Lucy Kraftman** and Aureo de Paula
- Endogenous Institution: a network experiment , **Giulio Iacobelli** and Juni Singh
- Geography and Diversity in the Formation of Academic Collaborations Networks , Krishna Dasaratha, Nir Hak, Co-Pierre Georg and **Michael Rose**
- Team Up Against Inequality: The Effect of Peers Salaries on Academic Collaborations , **Paolo Santini**

18:30 Dinner - Main hall

Friday, October 4th, 2019

Session Chair: the last speaker in each session will serve as session chair

8:30 - 9:00 Coffee & Registration - Main hall

9:00 - 10:00 Keynote Lecture 2: Emily Breza

Chair: Margherita Comola

10:00 - 10:30 Coffee Break & Poster session- Main hall

10:30 - 12:50 Session 4: Social Learning

- Robust opinion aggregation and its dynamics , Roberto Corrao, **Giacomo Lanzani** and Simone Cerreia-Vioglio
- Social context and social learning , **Stephen Nei**
- Non-Bayesian Social Learning and the Spread of Misinformation in Networks , **Sebastiano Della Lena**
- On the coevolution of epidemics, immunization choices, and pseudoscience attitudes , **Matteo Bizzarri** , Fabrizio Panebianco and, Paolo Pin

12:50 - 14:00 Lunch - Main hall

14:00 - 16:20 Session 5 : Labor

- "Keep Friends Close, But Enemies Closer": Connections and Political Careers , **Andrea Cintolesi**
- The Salary Taboo: Privacy Norms and the Diffusion of Information, **Zoe Cullen**
- The Weakness of Weak Ties in Referrals , **Shahir Safi**
- Skill mismatch in Austria , **Laura Zilian** and Stella Zilian

16:20 - 17:00 Coffee Break - Main hall

17:00 - 18:45 Session 6: Innovation

- Predicting innovation dynamics in the technological ecosystem , **Anton Pichler**
- Capturing radical innovation in a network paradigm , Gudrun Haindlmaier, **Robert Kalcik** and Anja Kongeter
- Developing countries' role in industry 4.0 innovation networks: evidence from collaborative patent data , **Leonardo Cardona Russo**

18:45 Informal outing and discussions
