## RESEARCH POSITIONS

---

### World Inequality Lab

05/2024 - ongoing

*Research Assistant (Part-time), Paris*

- Work as a research assistant for the World Inequality Lab, focusing on land reforms in Eastern Europe and developing tools to improve data collection and digitization. Also involved in updating the World Inequality Database (WID) by harmonizing historical data (surveys, tax data, national accounts) on inequalities in Romania, Poland, and Russia.

### Economic and Social Research Foundation (ESRF)

06/2024 - 08/2024

*Intern, Dar es Salaam, Tansania*

- Supported the ESRF in research, writing, and dissemination, including survey preparation, data management, outreach to stakeholders, and development of project proposals.

### University of Zurich

08/2022 - 08/2023

*Research Assistant (Part-time), Zurich*

- Work as a research assistant for Prof. Dina Pomeranz, contributing to papers and research projects at the intersection of public finance and development economics. I conducted quantitative data analysis with big administrative tax and customs data applying quasi-experimental methods such as a difference-in-differences event study design.

### Swiss Retail Federation

03/2021 – 08/2021

*Research Assistant in Political Economy of Switzerland (Part-time), Bern*

- Support the leadership of the organization by creating fact sheets, researching and visualizing data, and working on projects related to Swiss politics.

## OTHER PROFESSIONAL EXPERIENCE

---

### Apple Retail

08/2021 – 01/2022

*Specialist, Zurich*

- Actively engage with and provide tailored solutions to customers, including sales and product setup, while also performing various in-store tasks.

### Telewizja Polsat

11/2018 – 01/2019

*Intern, Warsaw*

- Intern at the main edition of the evening news (Wydarzenia) at the Polish TV station Polsat News. Assisting reporters in gathering and preparing content using iNews and software for audio and video editing.

## EXTRACURRICULAR ACTIVITIES

---

### President

08/2021 - 03/2023

*EconClub at the University of Zurich*

- Representing the department's economics students; organizing events and activities including guest lectures; leading the board and working with the department on improving the course catalog.

### European Youth Parliament (EYP)

03/2016 – 08/2022

- *Treasurer* (03/2020 – 03/2022): Led crisis management and contingency planning for an NGO with over 200 active members, overseeing six annual events across Switzerland.
- *Head Organizer* (09/2018 – 12/2019): Organized the 23rd National Selection Conference in Zurich 2019, a 6-day educational event uniting 200+ participants from across Europe to debate and resolve pressing issues.
- Held multiple academic and leadership positions across Europe (03/2016 – 08/2022), including committee chair and vice-president at various sessions. Led teams of 10-50 people in discussions on complex policy issues. Also trained participants in areas such as organizational efficiency, leadership, mental health, fundraising, and academic topics like European Union policy-making and economics.

### President and Founder

03/2017 – 06/2018

*Quint Magazin*

- Editor-in-chief for the school magazine Quint, which appeared every two months with a circulation of 1,500. In this role, we built the foundation and grew it to become the biggest school magazine in Switzerland with over 50 active Journalists and topics ranging from drug use at high-schools to territorial rights to the singularity in technology.

## AWARDS AND HONORS

---

- Recipient of the Société Helvétique de Bienfaisance 2024 Scholarship (Paris, 2024)
